

ASSURANCE GUARANTEED

SUZUMAR inflatable boats and reinforced inflatable boats are recommended to be equipped with short-shaft SUZUKI outboard motors. SUZUMAR provides a 3-year guarantee against any defects in the material and craftsmanship errors. SUZUMAR is CE certified by Germanischer Lloyd Holding in Germany.

This way every SUZUKI outboard motor and SUZUMAR inflatable has a 3-year guarantee period.

Warning: Read the instructions before starting to operate the boat. Adhere to all safety precautions and respect the rights of other sportspeople in the water. Always wear appropriate apparel, such as a personal floatation device. Only operate your outboard motor and craft safely, in accordance with the manufacturer's recommendations, and take no risks. Always remember that trainings improve skills, and this goes for both novice or expert-level users. Never operate a boat under the influence of alcohol or narcotic drugs. If necessary, consult your local authorized SUZUKI MARINE dealer for advice on correct outboard motor choice and correct maintenance. The maneuvering pictures herein took place under controlled conditions with professional operators.

Never attempt any action potentially dangerous or beyond your level of skill.

SUZUKI/SUZUMAR reserves the right to change, without prior notice, the equipment, technical specifications, colors, materials and other components according to applicable local regulations. Any model may be discontinued without prior notice. Please contact the local SUZUKI MARINE dealer for details of any such changes.

ATTENTION! Products in this brochure are imported to Hungary by Magyar Suzuki Zrt., whose domestic sales channel is the Official Suzuki Marine Dealer Network, available at <http://www.suzuki.hu/marine/hu/markakereskedok/>. For purchases from any other source we exclude liability for full compliance with the guarantee terms; compliance with the quality, specifications and trim levels, and compliance and existence of official marks, as well as for the existence of the trim level and supplementary parts related to the products! Please consider this in due time before making a purchase from doubtful or unreliable sources that fail to provide all of the above parameters: these are guaranteed by our domestic importer dealership network!

WATCH OUT! Sadly, Suzuki Marine products from doubtful sources are, on numerous occasions and in many ways, copies; their trim levels are modified, many times their elements, parts, specifications, compliance and official marks are incomplete and/or prove to be falsified; their quality is sometimes inadequate, and have limited or no warranty service!
